Travel Arrangements

Guests of the European Film Awards can benefit from a 10% discount by inserting the booking code **EFA2022** when booking flights with our partner airline Icelandair.

Please note the discount is for the airfare only, it is not applicable to airport taxes and fees.

Together with our partners in Iceland we focus on creating an event that is taking environmental sustainability an integral part of the ceremony of the European Film Awards. The choice of sustainable partners and the possibility to compensate the carbon footprint caused by traveling to Iceland, are important elements of this. For this reason, we encourage you to support the planting of trees in the European Film Forest. Originally started in 2020, we will continue to support this Icelandic initiative to reforest the island.
